

Discover Relaxation

Specially designed for your comfort

Discover relaxation

Celebrity have over 40 years experience creating quality upholstered furniture and are one of the UK's leading manufacturers of riser recliner chairs. Every piece of upholstery is specifically designed for comfort and is made using the traditional skills of local craftsmen in our 108,000 square foot factory in Nottinghamshire.

Celebrity recliners can adjust to an almost infinite variety of positions and riser recliners can raise the user effortlessly to their feet, all at the touch of a button. Total recliner comfort is guaranteed, with the choice of up to 3 recliner sizes to allow a perfect sitting position. Each Celebrity collection is available with matching furniture and in most cases, all-action settees, all designed to create the perfect suite.

There are over 100 Celebrity swatch fabrics and 30 leathers to select from, including the popular Celebrity Aquaclean range and Performance Plus.

Made in the UK  with our 5 YEARS GUARANTEE

Sustainability

At Celebrity Motion Furniture we are committed to both environmental and social responsibility.

The company is committed to using renewable energy, reducing waste and maximising recycling and reuse.

- Our site has a wind turbine, providing our factory with clean energy.
- We recycle and separate on site, paper and cardboard, wood, metal, plastics, food and all dry mixed recyclable products.
- All our wood products are from FSC certified forests.
- We work with all our team members to support employee health and wellbeing and safety.

At Celebrity we actively promote employee engagement in supporting the company's commitment to creating a sustainable future.

Safety features and Guarantee

Tested and Recognised

Celebrity Riser Recliners are FIRA tested and meet the British Standard BS EN 8474:2013—the performance standard for rising/ reclining chairs. This internationally recognised Standard tests and specifies the safety, strength, stability and durability of the chairs' structure. The certification applies to both Single and Dual Motor Riser Recliners up to a weight limit of 160kg/25 stone. This FIRA certification is further validation of Celebrity's product quality and safety.

Adjustable Headrest Safety Feature

The adjustable headrest is a push only, motor assisted and spring-loaded mechanism. To return the headrest to the fully closed position, you may need to be seated in the chair. This safety feature helps prevent trapping when closing the headrest.

5 year guarantee

At Celebrity we are so confident that we have selected the best components to use in our recliners we offer a 5 year guarantee on all products at no extra cost. This guarantee covers the frame, action and electrical components including motor, control box, transformer and handset supply leads (excludes accidental damage or mis-use). All other parts carry a full 12 month guarantee against faulty workmanship. For full T&C's please see the Celebrity website or contact us direct.

Safety First Features

Safety is always a priority at Celebrity. Powered models have an emergency battery backup. This will enable one use to return the chair to the desired position in the event of a power cut. Batteries should be replaced after one use or every 12 months.

To prevent the unauthorised use of your powered recliner* all Celebrity handsets are detachable making the chair inoperable. In addition, to reduce the risk of accidental entrapment, all Celebrity recliners are fitted with a spring loaded footrest.

*excludes recliners fitted with a power button.

Enhanced by Mammoth®

Mammoth's naturally cooling Medical Grade™ foam is proven to relieve pressure, deliver postural support and regulate temperature. That means **greater comfort, fewer aches and pains, and faster recovery.**

There's no other seating technology available in the consumer market that supports recovery, rehabilitation and relaxation in this way.

Mammoth's Pedigree

Health award winners

Our technologies originate from UK healthcare and have been highly commended for pressure relief and postural support.

Leaders in innovation, testing and product design

Designed and developed in partnership with the UK's leading experts and institutions

Official partners with the Chartered Society of Physiotherapy Backed by the UK's largest community of therapists and loved by health professionals.

Proven to Perform

In independent material tests, Mammoth's technologies were shown to offer:

69% Faster Cooling¹

47% Greater Pressure Relief²

¹ Independently tested by SATRA, Global leaders in scientific research and testing of consumer products under laboratory conditions

² Independently tested by industry experts against leading healthcare beds. Tested against 50KG memory foam.

Mammoth Medical Grade™ Foam technology

Sit more comfortably for longer

Mammoth's integrated Medical Grade™ foam cushion features PostureCell™ Technology with cooling air channels.

Together, these innovations:

- Improve ease of movement
- Increase pressure relief, support and circulation
- Relieve pain and discomfort
- Reduce risk of falling and injury
- Help prevent hip locking when sitting/standing

Mammoth Medical Grade™ Seating Technology is fitted as standard in all* fabric models.

*Excludes Newstead, Woburn Legged and Leather.

SUPER FAST
delivery

Celebrity offer 7 ranges on ZipSPEED, with a choice of any Celebrity action, fabric or leather. Each range is available with 3 Tailored-to-fit recliner chair sizes - Grande, Standard and Petite. A choice of sizes allows you to discover the perfect fit as well as an almost infinite number of seating positions for maximum comfort, support, and pressure relief. Fabric models include Mammoth Medical Grade Foam technology. All models are available with the adjustable headrest, and adjustable headrest and lumbar option, see page 13 for more details.

All 3 Tailored-to-fit sizes of the Hollingwell and Canterbury Recliner chairs are available on our super-fast delivery service in either Dalby Moss or Eden Silver fabrics, with teak knuckles only.

Choose from any Riser Recliner action, including Cloud Zero. Please ask your Celebrity retailer for availability and further details.

Hollingwell endorsed as a Which? Best Buy

Hollingwell Fabric: Eden Silver.

The Smart Sensing Recliner

Powered by SmartSense Technology

SmartSense Technology is an advanced, intelligent motion system with real-time awareness, continuously monitoring movement as the chair operates. As the recliner transitions through its positions, SmartSense detects when any part of the chair contacts with its surroundings and automatically pauses the movement.

- Intelligent Monitoring
- Active Shield
- Improved Reliability

If contact occurs repeatedly, the handset will flash to indicate that the recliner may need to be repositioned. This responsive feedback ensures the chair can operate smoothly without continued interruption.

Acting instantly when resistance is detected, SmartSense creates an active shield around the chair, supporting improved reliability and smooth, confident operation.

More than comfort, more than movement, SmartSense is the next generation of motion technology.

Fitted as standard on all Dual Motor and Cloud Zero riser recliners.

Cloud Zero

3 motor lift and tilt

- An innovative design with enhanced movement
- Infinite positions for enhanced comfort
- 20% more lifting capacity up to 30 stone
- Individual seat tilt to aid relaxation
- Seat height adjustment

Made in the UK with our 5 YEARS GUARANTEE

Please scan the QR code to view additional product details and images.

DUAL MOTOR MOVEMENT

CLOUD ZERO MOVEMENT

The Cloud Zero lift and tilt design offers next-level comfort shaped around the needs of every individual.

Highly versatile and capable of offering almost infinite seating positions, allowing individual seat tilt adjustment with the independent seat tilt motor.

This advanced riser recliner helps users achieve greater tilt for ultimate relaxation. Along with the ability to increase your seat height to best suit your required position. Then, when ready to find your feet again, the chair's smooth action will help to return users safely to standing with ease.

This robust and versatile design also offers 20% more lifting capacity (up to 30 stone) and, of course, our 5-year guarantee for added peace of mind.

Choose your action

MANUAL RECLINER

All manual recliners are available with either a latch or handle option. Release the latch for the footrest to rise then push gently on the arms and move your back in to the chair to recline the chair back. To return the chair to the seated position sit upright and push the footrest down until it clicks in to position.

We recommend that users with limited lower leg strength select from our powered recliner range.

POWERED RECLINER

Power Button

Fitted on powered non riser recliners

Single Motor Recliner

With the Single Motor action, the footrest raises to its top level before the chair back starts to recline.

All Power button and Handset models have a USB charging point: 5.0 V = 1.0 A.

POWERED RISER RECLINER

Handset

Fitted as standard on all powered riser recliner models

Celebrity handsets have a handy reset button that will bring the chair back to the seated position.

Single Motor Riser Recliner*

The Single Motor action allows the footrest to raise to its top level, the chair back will then start to recline. The rising action will lift the chair to enable the user to exit or access the chair with ease.

*All Celebrity Single Motor, Dual Motor and Cloud Zero Riser Recliners qualify for Zero VAT rated where appropriate. Please ask your Celebrity retailer or refer to the government website for more details.

Dual Motor Riser Recliner*

The Dual Motor action allows the footrest and the chair back to be operated independently to create your perfect sitting position. The rising action will lift the chair to enable the user to exit or access the chair with ease.

Cloud Zero Riser Recliner*

The Cloud Zero 3 motor Rise and Recliner action in addition to the Dual Motor Riser Recliner movements, allows individual seat tilt adjustment, offering almost infinite seating positions for the ultimate in relaxation.

When raised, the tilt motor relieves all the pressure on the user's legs and allows them to stand with ease.

Leather

We know the importance of sourcing a quality, durable and hardwearing hide to complement our product range. All Celebrity leather furniture is made from quality hides supplied by Futura Leathers based in the UK. All leather is manufactured under the ISO9001:2008 quality system and comply with British/ European standards for upholstery leather and the furnishings fire safety regulations 1988.

Leather: Ascot Tuscan.

With 30 leather colours to choose from including both single and two-tone shades, whether it's a full suite or just a leather chair to complement your fabric suite there's a vast range of colours to select from. In addition 7 ranges of Celebrity Recliner and Riser Recliner chairs are available on our ZipSPEED delivery. Leather models are not available with Mammoth Medical Grade™ Foam.

Aquaclean fabric range

The Celebrity Aquaclean range is available on all models. Aquaclean® technology is a revolutionary fabric treatment that allows you to clean stains using water only. This provides you with simple fabric maintenance in the minimum amount of time.

Fabric: Aquaclean Soul Slate.

Fabric: Aquaclean Bison Silver.

All Celebrity Aquaclean fabrics have Safe Front®, providing added protection from viruses and bacteria. Aquaclean components also limit the penetration of viruses and bacteria into the fabric. Safe Front® protects against mites and prevents proliferation. This totally eco-friendly shield helps to prevent agents that cause most types of allergies.

Safe Front® reduces bacterial activity by 99.9% after 24 hours.

aquaclean®
fabrics for living

Recommended fabrics for living with a pet

The Celebrity Aquaclean Alpine fabric is from the Aquaclean Extreme collection, recommended for homes living with a pet. These fabrics are not indestructible but they do help prolong your chair or sofas lifespan.

Performance PLUS

Specially designed fabrics for added protection

All of the Performance Plus ranges are

- Easy Water Cleaning

Special fibres within the fabrics prevent dirt from penetrating the fabric.

- Water Repellent

Protecting the fabric by effectively preventing spilled liquids from being absorbed and leaving drops on the material's surface.

All exceeding severe contact which is 40,000 Martindale. Martindale is a measure of a fabric's durability based on the rub testing. All other Celebrity fabrics have 20,000 Martindale.

Whyburn 40,000 Martindale

Derwent 50,000 Martindale *also is a Pet Friendly Fabric.

Avon 90,000 Martindale.

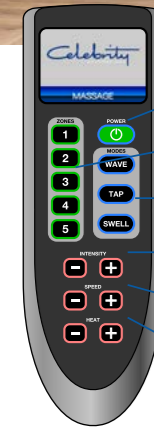

Sandhurst: Fabric Avon Silver.

Additional options

Celebrity 10 motor massage system

Available on all Celebrity Riser Recliners (excluding when the Adjustable Headrest and Lumbar is added).

- 1 Power On/Off
- 2 Zone Selection Control
- 3 Pre Programmed Functions
- 4 Intensity
- 5 Speed
- 6 Heat On/Off

Massage Benefits

- Manual selection of 5 separate massage areas. 3 pre-set programmes.
- WAVE function for a full top to toe massage.
- Heat pad offers gentle warmth to lower back.

This 10 motor massage system incorporates a colour LCD handset display making it easy to operate and control.

Please note that anyone with a medical device (e.g. pacemaker) or medical condition must consult their doctor/healthcare professional before purchasing a massage system.

Magnetic Handset Holder

Available on all Riser Recliners.

Factory fitted In-chair rechargeable battery option

- The In-chair factory fitted rechargeable battery is compatible with all Celebrity powered models.
- One charge will allow up to 50 movements depending on the action and users weight.
- When the battery needs recharging, the handset will flash and the battery will beep to indicate that a recharge is required.
- Discreet charging point.
- Available on ZipSPEED models.

Always charge the battery fully before the first use. This should take around 4 hours.

Swivel

360° motion

360° Swivel Motion available on all Manual Recliners

We believe that unrestrictive movement is the secret to total comfort so as well as making reclining easy and natural we have added the option of a 360° rotation swivel base on our Manual Recliner chairs.

Matching Footstools

Storage and legged footstools are available in any Celebrity fabric or leather.

Scatters

Scatter cushions are available in any Celebrity fabric. Urban Mosaic and Urban Cubic are available as scatter fabrics only.

Cushion fabric: Urban Cubic. Cushion fabric: Urban Mosaic.

Heat Pad

Heat Pad available on all Dual Motor and Cloud Zero Riser Recliners.

The built-in Heat Pad runs on a 45-minute cycle for comforting warmth. When activated, the control button illuminates orange. To turn it off before the cycle ends, simply press the button again.

Recliner Glides

Glides are available as an alternative to castors to help reduce movement on hard surfaces.

Arm Protectors

Arm protectors to match every recliner model are available in any Celebrity fabric. Please specify the model, size and fabric when placing the order.

Comfort Accessory Pack

A money saving Accessory Pack is also available, consisting of a pair of arm protectors, lumbar cushion and a chair back protector.

Dimensions

DIMENSIONS: All dimensions are approximate and quoted in millimetres & inches. Allow a minimum tolerance of +/- 0.5" (c13mm) on each dimension quoted. Seat depth measurements can vary by up to 51mm (2.0"), depending on position of the pillow back. All chairs are measured closed. Dimensions will alter slightly after use.

BRITISH STANDARDS: All Fabrics & Leathers have passed exacting performance tests and meet the relevant requirements of the Furniture & Furnishings (Fire) (Safety) Regulations 1988 & conform to BS 5852 parts O & 1 (cigarette and match tests).

COVERS: The covers specified meet the requirements of Schedule 4, Part 1 and Schedule 5, Part 1 of the Furniture & Furnishings (Fire) (Safety) Regulations 1988 S.I No.1324.

FILLINGS:

Seat: Combustion modified foam and non foam fillings meet the requirements of Schedule 1, Part 1 and Schedule 2, Part 1 of the Furniture & Furnishings (Fire) (Safety) Regulations 1988 S.I. No.1324 using the specified requirements of BS 5852 Part 2: 1982.

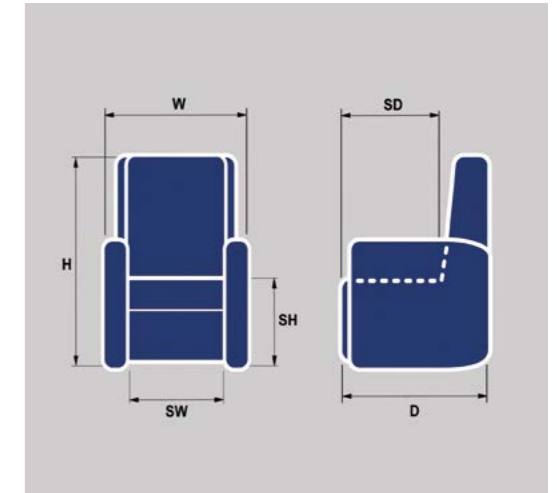

Back: Combustion modified foam and non foam fillings meet the requirements of Schedule 1, Part 1 and Schedule 2, Part 1 of the Furniture & Furnishings (Fire) (Safety) Regulations 1988 S.I. No.1324 using the specified requirements of BS 5852 Part 2: 1982.

As part of our policy of continuous improvement we reserve the right to alter any specification as and when necessary.
